

CIRCLE OF SECURITY FOR GRANDPARENTS

A free parenting group program for grandparents and extended family of children aged 0 -12, focusing on understanding behaviour as a communication of a need, rather than trying to change behaviour using reward/punishment.

- ✓ Gain a better understanding and awareness of attachment-based approaches
- ✓ Understand your grandchild's emotional world by learning how to read their emotions
- ✓ Enhance the development of your grandchild's self-esteem
- ✓ Support your grandchild's ability to successfully manage their emotions
- ✓ Learn to be a secure base for a child - the caregiver must be 'bigger, stronger, wiser and kind'

THURSDAYS, 16 OCT - 20 NOV | 6.30PM - 8.30PM
